GOVERNMENT OF KERALA

Water & Power Department

NOTIFICATION

No. 12195/A1/76-1/W&P. *Dated, Trivandrum, 17th June, 1976.*

S. R. O. No. 661/76.—Whereas it has been brought to the notice of the Government of Kerala that due to the worsening of the storage position and the lower in-flows into the reservoirs, it will not be possible to generate electrical energy at the rate at which it is consumed at present;

And whereas the Government are of opinion that for maintaining the supply and securing equitable distribution of electrical energy on the basis of the river flow and the available storage of water in the reservoirs, it is necessary to regulate the supply, distribution and consumption of electrical energy;

Now, therefore, in exercise of the powers conferred by section 22B of the Indian Electricity Act, 1910 (Central Act 9 of 1910), the Government of Kerala hereby issue the following order to regulate the supply, distribution and consumption of electrical energy:—

1. The monthly consumption of electrical energy by all Extra High Tension and High Tension consumers other than those mentioned in paragraph 3 below, shall not exceed 50% of the consumption during April 1976.

In case, the consumption by any consumer exceeds this limit, the supply of electrical energy to such consumer shall be liable to be disconnected until further orders.

2. During the period of this restriction, no supply shall be allowed to consumers for new loads or additions except to those in the classes of consumers exempted from power cut in paragraph 3 below.

3. The following classes of consumers shall be exempted from the restrictions in regard to supply of electrical energy:

(1) Defence Service Establishment.
(2) All India Radio.
(3) Printing Presses engaged in printing daily newspapers.
(4) Telegraph Offices and Telephone Exchanges.
(5) Aerodromes.
(6) Harbour and Port Installations.
(7) Railways.
(8) Water Works and Sewage Pumping Plants.
(9) Hospitals.
(10) Engineering and Medical Colleges and other Educational Institutions.
(11) Agricultural Loads.
(12) I.S.R.O., Thumba.
(13) Power construction works in Hydro Electric Project area.

4. The Chief Engineer (Electricity) is empowered to give exemption for connecting up new loads for trial purposes in cases where foreign experts are engaged.

5. This notification will be effective from 6 a. m. on 18th June, 1976.

By order of the Governor,

V. P. KRISHNA KUMAR,

Joint Secretary to Government.
